Technical Skills

- **Languages:** Python, C++, HTML, CSS, JavaScript, SQL, Linux, MERN
- **Certifications:** Comp TIA A+

Projects

Discord Chatbot | Python

- Created a chatbot that served over 50 users in a public Discord server, improving engagement and automating routine tasks

Company Website Revamp | NextJS, NodeJS

- Revamped an outdated company website and integrated a secure backend contact form resulting in an increase in monthly profits

Dating-Style Web App | React, TypeScript, Express

- Built a dating style web app as a gift for my girlfriend on our 2-year anniversary, integrating category based experiences via Yelp API.

Professional Experience

Freelance Developer - *Freelance Dev* | September 2023 - Present

- Deploy responsive web applications using Next.js, React, Node.js, and MongoDB. Create scalable features like contact forms and email integration, hosting projects on platforms like Vercel.

Comprehensive Behavior Services - *Behavior Technician* | September 2023 - Present

- Implement behavior intervention plans under the supervision of a Board Certified Behavior Analyst (BCBA). Worked directly with clients to teach new skills, reduce challenging behaviors, and collect data on progress.

Education

Irvine Community College - Associate Degree in Computer Science

Saddleback Community College - Associate Degree in Psychology
